## Terms

---

Valor Christian College is on a semester schedule which is 16 weeks of course work and 1 week of final examinations.

C-Campus students have 16 week terms for Fall and Spring semesters. All Summer courses are online.

O-Online students have two (8-week) sessions with a week break between the terms for Fall and Spring. Students complete 16 weeks of content in 8 weeks in each session. All work including the final examination is completed in a session. Courses do not extend into multiple sessions. All Summer courses are online.

## Withdrawal from a course

---

All students who wish to withdraw from a course without a financial fee must do so in writing prior to the first day of any term.

## Course Participation

---

C-Students are expected to attend and participate in all courses. Attendance will be recorded

O-Students are expected to be active in all courses. Active participation refers to submission of assignments (Discussions, Papers and Exams) The review of content does not qualify as active participation.

## Time Zone

---

All assignments are due in EST. There are no exceptions to this policy.

## Populi Training

---

All course content is housed in our Learning Management System called Populi. Once you were activated in the system you were sent a welcome message with your login and you are to create your password. We do not maintain your password. If you get locked out, we can send a reset and you will be prompted to create a new password. Always check SPAM because this comes from Populi. Once the classes GO LIVE you will be able to see all of your courses both campus and online. We also have an Online Training that we can enroll you in that will allow you to review instructions on how to use different features of the system including submitting your assignments. Dr. Lambert, Valor Online Coordinator, will email information about Zoom sessions to help all students learn to navigate Populi. Information will be sent via email with the training dates.

## Textbooks

---

Valor Christian College has transitioned to all digital textbooks. Students will no longer have to purchase textbooks. The cost of all educational resources has been included in your tuition. We have expanded library resources in addition to digital downloads. Textbook information can be found under LINKS in each Populi class. Look for the Title or the word “TEXTBOOK”. Your book may be in one of three formats

- TEXTBOOK LOGOS-Students are able to create an account and log into LOGOS (log into LOGOS one time then after that you will automatically be taken to the bookshelf)
- TEXTBOOKS eCampus-Students log in eCampus and the book will live on Vital source Bookshelf
- TEXTBOOK GALE-This is a digital resource through the VCC Library resource GALE. Log in and use the password-valor. (Check out the feature that will read the content to you).

You are welcome to purchase hard copies of textbooks on your own at your own expense. It is recommended that you utilize the digital books that we have provided which are included in your tuition.

## Library Resources

---

The library has digital and print resources for both Campus and Online Students. Aaron Coldren is our full-time librarian and is available to assist you via email or Zoom. He has put together a folder of library resources that can be found on every class. Click on FILES> Look for the Folder “Library Resources” and you will find a number of PDF Documents to assist you.

## Learning Support Accommodations

---

Accommodation requests must be accompanied by documentation of a disability as defined by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) of 1990. The ADA defines a disability as a mental or physical impairment that substantially limits one or more major life activities. Valor Christian College requires that students requesting disability services provide current documentation from a licensed professional who is qualified in the diagnosis of the disability and who is currently or has been recently associated with the individual. The diagnosis must reflect the present level of functioning of the major life activity that is substantially impaired. Official documentation must be submitted before a student can be reviewed for accommodations.

The documentation must be provided on the healthcare professional’s official letterhead and must include the following:

1. Description of diagnosis – Describe the specific symptoms and describe the major life activities affected by these symptoms that would impact a student in an educational setting
2. Recommended accommodations – State specific recommendations for accommodations and include a rationale for why each accommodation is necessary to mitigate the impact of the student’s condition in an educational setting
3. Healthcare professional information – Provide the healthcare professional’s name, title, address and telephone number

Please complete this request FIRST  
<https://www.surveymonkey.com/r/PHH85BJ>

Once you submit your request you will receive an email from me with the following instructions:

1. You are to submit your IEP or Medical documentation that supports your accommodations. Please email them to me as quickly as possible. I cannot set up your accommodations without this paperwork.

2. Once I receive your documentation then we will schedule a meeting. The meeting will be a conference call or a virtual meeting. We will discuss previous accommodations and how we can support you at Valor.
3. After our meeting I will notify your instructors of all accommodations.
4. You will schedule a meeting with the Student Success Coordinator. You will be meeting with her weekly or bi-weekly to help keep you on track throughout the semester.

The email address for Learning Support is [learningsupport@valorcollege.edu](mailto:learningsupport@valorcollege.edu)

## Populi Notifications

---

You can turn on the notifications to receive text messages through the Populi system. This is how we send a number of important messages including any emergency notifications.

Turning Notifications on and off

1. Log into Populi
2. At the very top right look for your initials. There is an arrow for a dropdown list
3. Select Account and Settings
4. Look for Notifications on the LEFT side and make your selections. You can always go in and adjust your selections.

Text messages that go out from me are through Populi. Please do not respond because I will not get your message. They will come from a 844 number. This is Populi. I will always sign my name so that you know that it is from me. The staff and your instructors also have the ability to send text messages out. If you turn off this feature the message will be sent via email and will also live on your Activity Feed in Populi.

## VCC Recognized Spring Holidays Impacting Classes

---

C-

- Campus will be closed-MLK Holiday January 16, 2023
- Campus will be open but will not hold classes for Spring Break-March 13 – 17, 2023
- Campus will be open but will not hold classes for Good Friday April 7, 2023

O-

- Online courses are not impacted by closing dates and holidays.

## Reminders

---

BA students who anticipate graduating in May 2023 or Summer 2023 must double check all required courses. BA required courses on the Spring and Summer schedule are:

- Senior Synthesis-Select the section that corresponds with your selected minor
- Service Experience-All BA Students in their 4<sup>th</sup> year are required to complete a service experience for credit.

Please take note of all of the extra reminders that we have on your academic plan. On your degree plan you may need a certain number of courses at the 300 or 400 level. These are requirements that must be fulfilled. You can review what you have completed under your Degree Audit in Populi. You may direct questions to the Registrar.

AAS students who anticipate graduating in May 2023 or Summer 2023 must double check all required courses.

- Be sure to complete all areas of your degree plan
- Capstone is a required course for graduation (2<sup>nd</sup> year Synthesis)
- All graduates must have a 2.0 cumulative GPA

## May 2023 Graduation

---

Students who anticipate graduating on May 13, 2023 will be receiving more detailed information about graduation in the Spring semester. Please complete your Declaration of Intent to Graduate and your application. We have created a questionnaire to collect this information to streamline the process for you. February 3, 2023 is the official application deadline.

Valor Christian College holds one graduation ceremony at the conclusion of the Spring semester. Graduates agree to meet the following graduation criteria:

1. Successfully complete all course requirements with a passing grade for my degree program;
2. Successfully complete the required total credit hours for my degree program;
3. Successfully complete all coursework with a minimum cumulative GPA of 2.0;
4. Maintain satisfactory attendance in all courses and chapel as outlined in the Student Handbook and Academic Catalog;
5. Successfully complete all Student Ministry requirements;
6. All financial obligations to Valor Christian College must be met prior to graduation and conferral of degree.

All 2023 graduates may begin completing the Graduation Declaration and Application:  
<https://www.surveymonkey.com/r/JTBCLBH>

We will send out follow up emails to graduates but you are welcome to complete this questionnaire now before the February 3, 2023 deadline. All graduates will be enrolled in a non-credit course in Spring 2023 called Valor Alumni Network. We use this course in Populi to post announcements to graduates. It is for informational purposes only.
