

MISSION

Valor Christian College is a biblically based community of higher learning called to educate and equip Christian leaders in academic excellence, moral integrity, spiritual intensity and physical purity, to be agents of change and models of character and to serve Christ professionally in the advancement of His kingdom.

VISION

To be an internationally recognized, undergraduate Pentecostal and evangelical center of academic excellence and resource for the World Harvest Church, City Harvest Network and other Pentecostal and evangelical churches to educate and train effective, spirit-filled leaders who will change the world for Christ.

GOALS

Valor Christian College offers a solid postsecondary education to Christian ministers and lay workers. The College provides learning in a Pentecostal community that welcomes and includes students from various parts of the body of Christ—both denominational and non-denominational. Valor believes academic success and spiritual maturity are shared responsibilities between the student and the College.

To this end, Valor's goals enable the institution to fulfill its mission with the following goals:

GOAL ONE

Cultivating a community of learning centered on the presence of Christ and the authority of Scripture.

GOAL TWO

Providing high quality educational programs and curricula leading to an associate degree and the equipping of students for professional Christian service.
